

## 1 Waterway Marine Facilities

Identifies all WATERWAY MARINE FACILITIES with transient dockage or fuel docks. Turn to its statute mile for navigation details. Facilities in boldface type responded to an information survey and are detailed with a WATERWAY BUSINESS CARD.

## 2 Waterway Business Cards™

Provided free for any WATERWAY MARINE FACILITY completing a survey. A summary of services designed to be photocopied and cut out as wallet cards, bring a WATERWAY BUSINESS CARD ashore for reference information.

## 3 Contact Information

For reservations or inquiries, receiving forwarded mail, or arranging a delivery.

## 4 Marine Facilities & Services

Check the availability of a pump-out, mail forwarding, fax machine, marine parts and service, haul-out, propane, laundry, pool, Internet land-line or wi-fi, courtesy car or bike, groceries, restaurants, post office, and library. Survey distances are "Walk" (less than two miles), "Taxi" (two to 10 miles), or "N/A" (more than 10 miles).

684.4	Jekyll Harbor Marina	912/635-3137	T	D/G
712.3	Lang's Marina East	912/882-4452	T	D/G

In preparing this guide, each facility received multiple fax, email, and telephone contacts. Waterway Business Cards are included for those who supplied basic facility and services information. Non-bold type indicates non-response. However, an additional telephone call was made to assure the accuracy of answers, fact, and contact information. If you are interested in non-responding facilities and their services, you should contact them directly.

## FACILITIES AND SERVICES

Plan ahead for moorage and supplies with 349 WATERWAY MARINE FACILITIES and 192 WATERWAY CHANDLERIES. Marinas that completed an information survey received a WATERWAY BUSINESS CARD, detailing their contact information and services.

Use the WATERWAY MARINE FACILITIES table to quickly identify transient dockage and locate fuel docks. Every facility in the table is described in the NAV COLUMN at its statute mile.

Find the closest marine supplies with the WATERWAY CHANDLERIES table, which includes national marine stores, independent chandleries, national home centers, and local hardware stores. Home centers let you pay less for items such as tubing, duct tape, buckets, and cleansers. Local hardware stores in small maritime communities often stock an extensive inventory of marine supplies.

Photocopy the WATERWAY BUSINESS CARD pages

before you depart. Store them in a folder ready to cut out for quick wallet references for you, crew members, or guests.
